

PLUS

**“Senza entusiasmo
non si è mai compiuto
niente di grande.”**

“Nothing great was ever achieved
without enthusiasm.”

Ralph W. Emerson

Negli oggetti di uso quotidiano la ricerca del segno formale rende talvolta secondaria la funzionalità. Piet Billekens ha ristabilito nel progetto PLUS l'equilibrio tra concetto e funzione, disegnando complementi d'arredo non subordinati a stili o tendenze. Massima attenzione ai materiali e peculiare controllo dei processi di lavorazione sono garantiti da Colombo Design che condivide il concetto di qualità totale.

Sometimes the research of a formal design in everyday used objects might give to functionality a secondary role. Thanks to Arch. Piet Billekens the project Plus has re-established the balance between concept and function, designing furnishing complements free from any style or trend. The highest attention was also given to the materials, with a peculiar control to the manufacturing process granted by Colombo Design that shares the common concepts of total quality.
